

Call for Participation

We invite you to join us in **6th International Conference on Bioscience & Engineering (BIEN 2023)**

This conference will provide an excellent International forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Bioscience and Engineering. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on Bioscience and Engineering advancements and establishing new collaborations in these areas. Original research papers, state-of-the-art reviews are invited for publication in all areas of Bioscience and Engineering.

Highlights of BIEN 2023 include:

- 7th International Conference on Trends in Mechanical Engineering (MECE 2023)
- 7th International Conference on Electrical & Computer Engineering (E&C 2023)
- 7th International Conference on Electrical and Electronics Engineering (EEEN 2023)
- 7th International Conference on Soft Computing, Mathematics and Control (SCMC 2023)
