

Call for Participation

We invite you to join us **7th International Conference on Electrical & Computer Engineering (E&C 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Electrical & Computer Engineering. The conference documents practical and theoretical results which make a fundamental contribution for the development of Electrical & Computer Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of E&C 2023 include:

- 7th International Conference on Trends in Mechanical Engineering (MECE 2023)
- 7th International Conference on Electrical and Electronics Engineering (EEEN 2023)
- 6th International Conference on Bioscience & Engineering (BIEN 2023)
- 7th International Conference on Soft Computing, Mathematics and Control (SCMC 2023)
